FOREIGN EDITIONS

AYN RAND INSTITUTE

The following is a list of recent foreign editions of Ayn Rand's works that we are aware of, although we do not know which works remain in print. Whatever contact information we have for a particular publisher is listed in the table.

Native speakers have reported that some foreign editions are not faithful translations. We are unable to evaluate the quality of a translation and therefore do not recommend any particular book.

If you know of a foreign edition not listed here, please write to us at rralston@aynrand.org.

Leonard Peikoff, Ayn Rand's literary executor, has requested that we post the following notice:

"Under certain circumstances, rights are granted to publish Ms. Rand's work in foreign language editions. However, we have no power to choose the translators or to evaluate the quality of their work. We cannot, therefore, be held responsible for poor or inaccurate translations."
